Parish Graveyard Repairs.

At the last Parish Pastoral Council Meeting it was suggested that the graves that have sunk in the Old Graveyard should be filled by the FAS workers using the soil that was taken from the new graveyard when it was developed. As Parish priest I would be very reluctant to interfere with any family grave without the expressed permission of the family concerned. It is thought that some of the graves that have sunk have no one left to look after them. There are graves that do not have any headstones and it is not clear who is buried there and it is therefore impossible to know who to approach to seek permission to repair the graves. We will only repair the graves where permission has been given. If there is no response to this request then I am happy to leave things as they are. There is very little time left between now and the Graveyard Mass therefore if these repairs are to be done in time we need to be making decisions now. Thanks to the 2 parishioners who have come forward already in relation to graves.

The Graveyard Mass for Gartan takes place on Sunday July 2nd @ 3.00pm. Graveyard Mass Termon – Sunday July 9th @ 7.00pm. Please let anyone living Away from home know of this date in case they want to attend and need to make travel arrangements. Prior to the Graveyard Mass if family graves need tidying, please do not dump rubbish in the graveyard or over the graveyard wall. Please take any rubbish home to dispose of it. There is water available on tap at the top of the graveyard if anyone needs it. Thank you.
